DIM MARKER**Grave May
Date To
Revolution**

Special to The News

WAVERLY, Ind.—The grave of a soldier who Mooresville American Legion members believe served in the War of Independence nearly 190 years ago has been decorated for Memorial Day.

The Legion placed an American flag by the grave in the abandoned Shioh Cemetery near here, which was marked by a weather-worn tombstone, with the inscription:

"Sgt. John Duke Craig Co.
1 Pa Troops Rev War"

Randall L. Caldwell of the Zook-Scott post, who found the marker, said it appears the patriot served with troops in Pennsylvania and there is no way to determine whether he was a Hoosier.
